

Medical Installer Position

- Are you fit and healthy?
- Do you have a full Drivers License? (Provisional license will not be accepted)
- Do you like working with a variety of people from all walks of life?
- Do you have experience in driving throughout Sydney?
- Do you enjoy being on the road with minimum supervision?
- Are you wanting to establish yourself within a professional and progressive organisation?
- Would you like to secure your future within the growing health care market?

If yes to the above then we have a fantastic opportunity for you!

Independent Living Specialists is Sydney's leading provider of medical and home care equipment.

The role involves:

- Driving to the Lane Cove Warehouse in the morning to load up your assigned van.
- Making contact with the customers to notify them of delivery times.
- Working from a Run sheet in order to deliver and install equipment into the customers home or hospital.

Since our inception we have continually strived to provide an exceptional experience every time for our customers, the medical professionals and their patients.

To be the best in what we do...we seek the best in terms of a person that enjoys dealing with people on a daily basis.

IN RETURN you will be rewarded with an attractive remuneration, with on-going training and support provided by Head Office to assist with your success in this role.

If this sounds like the opportunity you have been looking for then please send your resume today without delay!
