

Occupational Therapist

Independent Living Specialists (ILS) is Sydney's leading provider of medical and home care equipment for the hospital and the home care sector. Since our inception we have continually strived to provide an exceptional experience every time for our customers, the medical professionals and their patients.

ILS is a unique company that prides ourselves on flexibility, innovation and passion! We are after an outgoing individual who loves a challenge and wants to progress in his / her career!

Your role will involve:

- Regularly interfacing with your fellow OT's - conducting in-services, educating on products, providing specialist advice and recommendations to clients.
- Conducting OT home assessments, writing reports and recommending home modifications where necessary.
- Arranging demonstrations and trialing of equipment with OTs and clients.
- Performing Manual Handling Training sessions to Care agencies

Essential Criteria:

- A Occupational Therapy degree
- A full drivers license
- A proven clinical background having worked either in the acute care or within the community environment
- Excellent communication skills
- 2 years experience conducting OT home assessments and writing reports.

In return Independent Living Specialists will provide the following:

- Competitive remuneration package.
- Laptop Computer for home office & infield communication
- Mobile Phone
- Car allowance
- Bonus incentive scheme
